The healing touch

CITIZEN CHARTER

Velammal Medical College Hospital and Research Institute is an initiative of Velammal Educational Trust in Madurai, Tamilnadu dedicated to cater to health care needs of people in the district of Madurai and adjoining areas.

It thrives to provide quality health care at an affordable cost so that availability & accessibility of health care, reaches to all sections of the society irrespective of caste, creed, religion, nationality and above all economic strata. In an effort to provide health care, man power development in health sector & professional development in health care needs to be concurrently addressed. In order to provide a continuous flow of health care/medical professionals, teaching & training of medical graduates in all fields/specialities becomes a mandate for the institution.

The institution is dedicated to provide high quality medical care and medical education to the citizens of the Country.
