Screenshot of Return and Renewal Module

The screenshot shows the 'Return and Renewal Module' of the library management system. The interface includes a menu bar with options like Cataloguing, Circulation, Admin, Reports, Acquisition, Serial Control, Search, Gate Security, ToolBox, Window, and Help. The main window is titled 'Counter Service' and contains a 'Member Details' section with fields for User ID, Name, Designation, Course, Department, Group, and Exp. Date. Below this are checkboxes for 'Book', 'Eligible', 'Issued', 'Period', and 'Renew'. A 'Book' section includes tabs for Book Bank, Journal, Back Volume, Standards, Reports, Proceedings, Thesis, and Non Book. There are also fields for Access No., Call No., Availability, Title, Type, Mis. Page, Author, Edition, and Publisher. At the bottom, there are date pickers for Issue Date (26-Oct-2021), Due Date (26-Oct-2021), and Return Date (26-Oct-2021), along with a 'Fine' field set to 0.00. A row of buttons includes Issue-F6, Return-F7, Regew-F9, Reserve, Res.Cancel, Clear-F3, and Close-F4. The background of the form features a collage of images: a bookshelf, a library interior with tables and chairs, and a building. The status bar at the bottom indicates the user is 'ADMIN' and the date is 'Tuesday, 26 Oct 2021 [2:50:22 PM]'.

Screen shot of Issue and Renewal Module

This screenshot is identical to the one above, showing the 'Return and Renewal Module' of the library management system. It displays the same form fields, buttons, and background images, including the menu bar, member details section, book section, and date pickers. The status bar at the bottom shows the user is 'ADMIN' and the date is 'Tuesday, 26 Oct 2021 [2:50:22 PM]'.
