VELAMMAL MEDICAL COLLEGE

HOSPITAL AND RESEARCH INSTITUTE

MADURAI - 625009

Constitution of IQAC

Velammal Medical College Hospital and Research Institute constituted its Internal Quality Assurance Cell (IQAC) on 9th December 2019. The objective of formulation of IQAC was to initiate, plan and supervise various activities that are necessary to improve the quality of the education. Before the inception of IQAC, NAAC coordination committee was looking after the matters pertaining to quality of the education. The IQAC is effectively coordination with the Academic Council, Medical Education Unit, and Curriculum Committee for sustaining and improving the quality of academic activities related to Undergraduate and Postgraduate students of the institute.

The office of IQAC is located at second floor of the medical college building. The faculties from various clinical, pre and paraclinical departments along with students and external experts are members of IQAC. The meeting of IQAC has been schedule to be conducted twice in a year to review the performance indicators, implementation of action plan thereby enhancing the overall quality of the educational process in the institute.

To

All IQAC Members

The Internal Quality Assurance Cell (IQAC) has been constituted to facilitate the process of NAAC assessment & accreditation. The IQAC will be responsible for developing and implementing quality benchmark and will act as a nodal agency of the Institution in coordinating quality-related activities to NAAC. HoDs and faculties of all the departments are requested to extend their support to IQAC to make this venture successful.

VELAMMAL MEDICAL COLLEGE

HOSPITAL AND RESEARCH INSTITUTE

MADURAI - 625009

The various points discussed are as follow:

- It is recommended to formulate a separate scientific research committee to look after exclusively the matters pertaining to research.
- The committee will strengthen the research and development activities, and encourage faculty to undertake research projects and will support them in grant writing and research publications.
- Motivate faculty to get register as a Ph.D guide if they are fulfilling the eligibility criteria stipulated by the Regulatory Councils.
- Send faculty to get trained for development and delivery of e-content / e-courses so as the faculty should develop the e-content / e-courses.
- Render support to alumnus to prepare memorandum of association, and create a separate bank account for alumni association.
- Registration of Velammal Medical College Hospital and Research Institute Alumni Association under Societies Registration Act.
- Creating on line feedback system for students, teachers, parents and alumni, and other stakeholder.
- IQAC will promote to initiate the value-added online courses/ classes which address gender, environment and sustainability, human values, health determinants, right to health issues, emerging demographic changes and professional ethics in the curricula.
- It is recommended to formulate NAAC steering committee with few midlevel/junior cadre faculty/active members for coordination and data collection.

VELAMMAL MEDICAL COLLEGE

HOSPITAL AND RESEARCH INSTITUTE

MADURAI - 625009

Dr. R.M. Raja Muthaiah, Dean of Velammal Medical College Hospital & Research Institute, welcomed all the members to the meeting. Dr. Samir Deorao Bele, Professor & HOD, Community Medicine and IQAC Coordinator explained the purpose of the meeting which is to decide the plan of action for data collection and compilation from all departments in order to prepare for the IIQA and SSR.

The minutes of previous IQAC meeting was read by Dr. Trupti Bodhare, Professor, Community Medicine. Then the business arising from the previous minutes were discussed by Dr. Samir Bele, Professor & HOD, Community Medicine and IQAC Coordinator.

Business arising from the previous minutes:

Dr. Samir Bele informed about the successful organisation of NAAC workshop on 12.12.2019 with active involvement of faculties from various department.

He also informed that the SOP of scientific research committee is prepared and the composition of the committee has been finalised.

The Memorandum of Velammal Medical College Alumni Association has been drafted and is being under review in order to proceed for the registration.

He informed that online feedback forms for students, teachers, parents and alumni, and other stakeholder have been created and shared with the medical education unit for review.

The NAAC steering committee members has been finalised and criteria wise allotment was done to the teaching faculty and non-teaching staff for coordination and data collection.

VELAMMAL MEDICAL COLLEGE

HOSPITAL AND RESEARCH INSTITUTE

MADURAI - 625009

The various points discussed are as follow:

Dr. Samir explained the purpose and involvement of steering committee members. Following this each steering committee members/criteria coordinators presented their progress and achievement.

It was recommended to prepare the individual file based on the various metrics/indicators for the criteria at central level by the IQAC.

Each department has to propose the departmental coordinator who will coordinate with the IQAC/ steering committee members and submit their reports. The departmental coordinators will collect the relevant information from their respective department and submit it within the stipulated time. It was also recommended to have one coordinator from the ancillary department.

It is planned to organise the alumni meeting in the month of March to provide support to alumni for planning the events and registration of Velammal Medical College Alumni Association under Societies Registration Act.

It is also planned to organise the parent teacher meeting in the month of March to provide the feedback about the students' progress to their parents.

Dr. R.M. Raja Muthaiah, Dean of Velammal Medical College Hospital & Research Institute, insisted to focus more promotion of research and publications among faculty and students and encourage more alumni to take active part in the institutional programs. He also enquired about the revised strategy to expedite data collection.

Dr. P. Mohanty, Vice- Principal, requested all steering committee members and IQAC faculty members to extend their wholehearted support and Dr. R.M. Raja Muthaiah, Dean of the institute thanked all members for their active participation in the meeting and insisted them to follow the timeline.

MADURAI - 625009

In order to improve the quality of education, Dr. Yogesh C, Associate Professor, Forensic Medicine recommended to introduce Academic and administrative audit periodically in the institute and audit can be done in various departments by choosing the faculty having associate professor level cadre and above from other departments. He requested to assign this task to a senior faculty who will work as a coordinator. He also recommended audit through external faculty or institute. Dr. R.M. Raja Muthaiah, Dean instructed IQAC coordinator to develop a structured format for audit. He also insisted to plan and implement e-governance in the field of academics and examinations.

Dr. Trupti Bodhare, Professor, Community Medicine recommended to introduce the student mentor guide to record the details of all meeting and achievement by the students in order to measure the performance of the students.

The IQAC Coordinator informed about setting-up of IQAC Website and alumni association website. The members recommended including all information including sample forms to be uploaded on the website.

In the view of ongoing covid 19 pandemic, Dr. S. Nataraja Rathinam, Professor, Department of Paediatrics recommended to subscribe the paid version of zoom software for conducting the synchronous classes which was also agreed by all committee members. It was also recommended that all ppts and supportive reading materials should also be put up in the website.

Dr. John Rajpathy, Professor, Physiology, informed that the feedback forms collected via offline mode from the students, parents, and other stakeholders are being compiled and analysed and detailed report on the quality related institutional mechanism is being prepared.

- Dr. John explained criteria 1 progress and suggested to expand student mentor diary to include extracurricular and other aspect essential aspects of mentorship. He appreciated implementation of vertical mentorship and urged to allocate mentors to upcoming batch and implement programme more effectively.
- Dr. Geetha Sivasubramanian suggested that modifying the feedback forms especially five-point likert scale to be replaced by 4- or 6-point scale with no option of neutral opinion.
- Dr. Trupti explains criteria-2 and gave some suggestions regarding implementation of uniform standards for identifying slow learners and remedial measure to improve the performance of these students.
- Clarification of PG teachers experiences for Medical college and allied health science college was done by Dr.Geetha Sivasubramanian and asked to include both the courses PG Teachers eligibility separately.
- Dr.Sriandaal suggested creating a Central portal for uploading the camp details. It was insisted to involve more number of the students in outreach activities and medical camps in order to expose them to real life situations which were readily accepted by Dean sir and other committee members.
- In order to improve the faculty participation in utilization of E-learning resources provided by the institute it was recommended to create the ID and Password for individual faculty using Library Management System. Vice Principal, Dr P K Mohanty acknowledged it and promised to see the feasibility.
- Dr. Natraja rathinam explains criteria 5 progress and discussed the organization of alumni association meeting after the NEET examination.
- Dr. Yogesh explained criteria 6 and suggested that vision and mission should be displayed in few additional areas.
- Dr. Sriandaal explained criteria -7, and suggested that code of committee should focus on organizing more gender equity programmes in order to create a widespread awareness among all cadres of employees. Strengthening of some of the best practices of the institute like effective implementation of 'Velammal community health service' and 'blood donors club' in the year 2021 considering the covid -19 situation was discussed.
- Student representative Mr. Sidharth M Rahejaa, (2018 batch) urged committee members to look into the process of sponsorship of the institution and application of the USMLE process. Vice Principal, Dr. P. Mohanty explained the progress and promised to complete the process.
