Career Guidance Program

Velammal Medical College Alumni Association organized an online career guidance program on 31.07.2021 on Zoom and the topic was "How to find your dream PG branch & work towards it".

The program was commenced at 2:00 pm on Zoom platform. Nearly two hundred ninety MBBS students and CRRIs had participated in the event that reflected their passion and interest. The program lasted for around one and half hours.

The program was organised under the supervision of Dr. Trupti Bodhare, Professor Community Medicine department of Velammal Medical College Hospital & Research Institute. The program was commenced with a warm welcome speech and introduction of speaker Dr. Venkatesh Karthikeyan, Community and Family Medicine Post Graduate from AIIMS Patna by Dr. Trupti Bodhare.

The speaker of the program Dr. Venkatesh Karthikeyan took over the program and inspired all the audiences with a detailed discussion on how to find one's dream PG branch and how to work towards it positively. He also emphasized that career decision is one of the most significant decisions in one's life and therefore, it must not be taken under parents' compulsion or peer pressure. He also motivated the students to never go out of following their passion. Soon after the formal event, began the interactive session which helped students to clarify their doubts with the speaker.

The online program concluded with a vote of thanks by Dr. Samir Bele, HoD Community medicine department, Velammal Medical College Hospital & Research Institute.
