Workshop on Emerging Trends in Medical Education titled "**Formative Peer assessment**

"Date: 11-01-2018 Venue: College Board Room

Report

The workshop titled "**Formative Peer assessment**" was hosted by the Medical Education unit as an ongoing faculty training program in Emerging Trends in Medical Education. The program was organised and conducted in the college board room on 11-01-2018 between 8:00 am to 12:00 noon. The program started with inauguration. The dean encouraged the staff to apply themselves to the newer emerging trends in medical education. The importance of newer methods in pedagogy were stressed to be of utmost importance in student learning by the MEU coordinator during the introduction. Dr.P.Rajasekaran HOD ENT gave a fantastic presentation on the organisation and structure of formative peer assessment activities. Dr.J.Ramapriyadharshini Asst Prof Ophthalmology discussed The Personal attributes and the impact and consequences for oneself and one's peer relationships. Dr.S.Agalya Angelina Asst Prof OBG Explained the experience and outcome of feedback and learning. All sessions were followed by oral feedback from the participants and expressed satisfaction over the knowledge and skills acquired during the workshop. The program closed with comments from the MEU coordinator with the announcement regarding the next topic and date of the next workshop.
