Respected Sir

Sub: **Requesting permission for the conduct of MEU workshop.** Reg

The MEU has planned to conduct a 4-hour workshop titled "**Simulated patients**" on 06-06-2019 from 8:00 am to 12:00 noon. This is a training program for our faculty in Emerging Trends in Medical Education. I request that the following may be provided for the smooth conduct of the program.

1. Permission to use the college board room for the program
2. Permission for the participants and resource persons to attend the workshop -
3. One IT personnel to help with the multimedia.
4. Tea and snacks at 10:00 am for 25 persons from our cafeteria.
5. Admin staff to help with arrangements.

Thank you for your approval and provisions

With much regards

Dr. John Rajpathy

The importance of newer methods in pedagogy were stressed to be of utmost importance in student learning by the MEU coordinator during the introduction. Dr. Premananth Assoc Prof Chest and TB gave a fantastic presentation on What is one minute preceptor teaching method and development. Dr. Jeya Balaji Prof of Pediatrics explained Five micro skills of The One Minute preceptor model. Dr. Ramanujam HOD Psychiatry discoursed on The OMP/DEFT approach for clinical teaching. All sessions were followed by oral feedback from the participants and expressed satisfaction over the knowledge and skills acquired during the workshop. The program closed with comments from the MEU coordinator with the announcement regarding the next topic and date of the next workshop.
