**Report**

The workshop titled Educational Technologies in titled “**360<sup>0</sup> Assessment in medical education**” was hosted by the Medical Education unit as an ongoing faculty training program in Emerging Trends in Medical Education. The program was organised and conducted in the college board room on 10-03-2022 between 8:00 am to 12:00 noon. The program started with inauguration. The dean encouraged the staff to apply themselves to the newer emerging trends in medical education. The importance of newer methods in pedagogy were stressed to be of utmost importance in student learning by the MEU coordinator during the introduction. Dr. Suganthi HOD Biochemistry gave a fantastic presentation on Novel teaching techniques and its application in medical education. Dr. Selva Chidambaram professor highlighted the pros and cons of 3600 assessments in the clinical scenario. Dr. Natarajarathinam Prof of Paediatrics Shared his experience and brought to fore their model of 3600 assessments in the paediatric clinical settings. All session were followed by oral feedback from the participants and expressed satisfaction over the knowledge and skills acquired during the workshop. The program closed with comments from the MEU coordinator with the announcement regarding the next topic and date of the next workshop.

Respected Sir

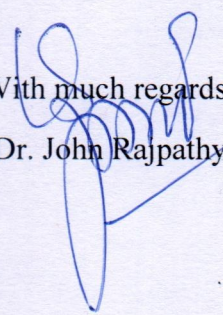

Sub: **Requesting permission for the conduct of MEU workshop.** Reg

The MEU has planned to conduct a 4-hour workshop titled “**The integration of artificial intelligence (AI) in Medical Education**” on 07-04-2022 from 8:00 am to 12:00 noon. This is a training program for our faculty in Emerging Trends in Medical Education. I request that the following may be provided for the smooth conduct of the program.

1. Permission to use the college board room for the program
2. Permission for the participants and resource persons to attend the workshop -
3. One IT personnel to help with the multimedia.
4. Tea and snacks at 10:00 am for 25 persons from our cafeteria.
5. Admin staff to help with arrangements.

Thank you for your approval and provisions

With much regards  
Dr. John Rajpathy
