VELAMMAL MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE MADURAI - 625009

Summary on Library Ambiance

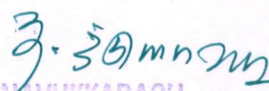

Velammal Medical College Hospital & Research Centre has a vast library for the usage of all student members and faculties. It has over 12000 books that include textbooks, rare books, manuscripts, medical journals etc.

It has a seating capacity for 300 students. The reading room is vast enough to accommodate over 50 students. The library has a separate section for accessing online medical literature which is widely used by students. A printer and Xerox machine are in place in library to cater to students who would prefer to have hard copy of the e-content or Xerox of reference books for their personal usage.

The library is well ventilated and appropriately lit for usage both during day as well as late evenings. The library is kept open from 9 am to 8 pm. The students are allowed to access the material after the college hours. The library is open to staff from medical college as well as hospital wing who regularly utilize the facilities to update their knowledge by accessing the latest medical literature available.

The library has 40 computer systems with adequate internet facility for usage by students and staff. The students are helped with preparation of powerpoints, e-posters and seminars through the above facility. There is a separate room for viewing CDs and other e-learning material.

The library wing has purified drinking water facility and separate washrooms for both genders. The library however restricts outside food and beverages to be consumed inside its premises.
