#### Chapel Inauguration

##### INAUGURATION OF CHAPEL AT VELAMMAL MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

In order to establish religious harmony in the Velammal Medical College campus, our honorable chairman has built a temple, a chapel and a mosque inside the college campus. The Chapel was inaugurated on 16-8-2017 by the Grace Most Rev. Dr. Antony Pappusamy, the Archbishop of Arch Diocese Madurai, Rt Rev. Dr. M. Joseph, the CSI Bishop of Madurai and Ramnad Diocese and Rev. Dr. Augustin Jeyakumar, the Executive Secretary, UELCI and LWF National Committee of India in the presence of our honorable chairman Shree M.V.Muthuramalingam. The function started with a brief service in the chapel followed by the inaugural function in the nearby pandal. The gathering

was welcomed by the Dean, Velammal Medical College. The heads of the prominent 3 denominations of Christianity awarded our Chairman with the title, 'SamayaSangamaVithagar' in appreciation of his establishment of religious harmony at Velammal Medical College Hospital and Research Institute. The three heads felicitated our Chairman and blessed the audience. The function came to an end with vote of thanks by Mr. Peter Kennedy, the COO. The whole programme was led by Dr. Mrs. Jhansi Charles, HoD, Dept. of Microbiology and Mrs. Anitha Babu, the Nursing Director.

## Bioethics Day Celebration

### Community outreach program – Prevention of Alcoholism

On the eve of 19<sup>th</sup> November 2017 The Velammal Bioethics Unit at Madurai and the Velammal Bioethics students wing conducted an outreach program in a local village (PaapanKulam, Madurai, Tamil Nadu) regarding the dangers of alcoholism. With the help of the departments of community medicine and Psychiatry, the dangers of drinking alcohol was conveyed to the villagers through a testimony from an ex alcohol addict, a short drama, a Short film, Messages on placards and through Parrai a local cultural dance and music. Although the main message was to stop alcohol consumption, the public was educated on what could be done at their level in decreasing the consumption of alcohol. The following suggestions were conveyed (translation of the message in on the placards in Tamil).

1. Protect public from bad choice to consume alcohol and reduce harm by public education.
2. Alcohol causes damage to human freedom, enlighten by public information campaigns
3. Government should adopt policies for greater protection of alcohol consumers.
4. Discourage alcohol consumption by raising taxes on alcohol and restricting hours of sale.

Velammal Bioethics Steering committee member Dr. Ramanujam HOD of psychiatry welcomed the gathering. Dr. John Rajpathy Head of Velammal Bioethics unit was responsible for the coordination and conduct of the whole program. The villagers requested for more of such programs because 90% of the males in this village are alcoholics. The students gained experience in this kind of outreach and its need. Follow-up programs are lined up in this village for the coming three months. This program was successful more than our expectations.

## Bioethics Day Celebration

**Velammal Medical College Celebrates "WORLD BIOETHICS DAY - 2019"**

Velammal Medical College at Madurai serves as the Nodal center for Bioethics of UNESCO- Haifa. True to its vision for excellence in medical education, Velammal envisioned that its graduates are well grounded in empathy, proactive in the protection of human values and human rights. The Bioethics unit exists for the sole purpose of achieving this end.

Velammal celebrated "WORLD BIOETHICS DAY- 2019". The celebrations began on the 21<sup>st</sup> of October 2019 and ended on the 24<sup>th</sup> of October 2019. The UNESCO topic for the year "RESPECT FOR CULTURAL DIVERSITY" vibrated within the very essence of the student community because India is a blend of various cultures belonging to diverse religion, castes where different states and regions follow their own unique tradition and culture. India is rightly termed "the land of unity in diversity" as different groups of people co-operate with each other to live in a single society.

The occasion was celebrated in the premises of the medical college hospital with colorful displays during special assembly of students and staff arranged for the purpose. Students from the Medical College, College of Nursing, School of nursing and School of allied health sciences took part in various competitions that depicted "Respect for cultural diversity" such as Street Play, Artistic poster, Essay, and Photography.

Sixteen teams participated in the street play which was conducted on the street. Every team displayed quality and innovation in their approach to portray "Respect for cultural diversity". One of the Medical student's team was declared as the winner in the street play for their innovative approach, performance and excellent direction for using *Transgender gender trends* in

# VELAMMAL MEDICAL COLLEGE

## HOSPITAL AND RESEARCH INSTITUTE

### MADURAI - 625009

India to portray Respect for cultural Diversity. They were given a standing Ovation, Medals and certificates. The Nursing Students who placed second excellently portrayed through **MIME** how in the **recent floods in Tamil nadu** people from various cultural backgrounds from all over India came to the rescue and aptly depicted the actions in unity that flavor the tricolor. A photograph of a woman with a **conglomerate attire of the three major religions of India** won the prize for the best Photography for conveying the essence of respect for cultural diversity. There were 23 contestants in the Artistic poster competition, 20 contestants in essay competitions. Winners were awarded with Trophies for excellence and certificates of achievement. These events continued for the first two days.

The celebrations concluded on the final day with a special program where senior faculty, professors and dignitaries graced the occasion. Dr. R.M. Rajamuthaiah, Dean of the Medical College welcomed the gathering, encouraged and expressed his support for such student endeavors. He also gave away the trophies, Medals and certificates to the winners along with Mr. Venkat Phanidhar the Chief Executive Officer of the hospital, Dr. Mohanty the Vice Principal and Dr.Thirunavukarasu, the Medical Superintendent. The vote of thanks was proposed by Dr. John Rajpathy, Head of Bioethics unit. This was followed by three scientific sessions, *Introduction to Bioethics* by Dr.Ramanujam, Head of the department of Psychiatry. *The impact of culture on Health* by Mr. Venkat Phanidhar who is the Chief Executive Officer of the hospital and *Culture and ethical practice in Medicine* by Dr. Mohanty who is the Vice Principal of the Medical College. The Sessions concluded with national Anthem followed by Tea and Snacks.

The Bioethics Unit is greatly indebted to our beloved and honorable Chairman who stands as a beacon for all student endeavors, for being generous with funds, for his magnanimity in providing an excellent infrastructure, for allowing us to use the Venue without hesitation, for constantly encouraging the proceedings from the Bioethics Unit which makes it a pleasure to work to bring the Vision of Velammal to fruition.
