Whereas the First Party is a teaching Department in a Medical College that is tasked with teaching and training the medical students about provision of health care in the community, health needs of special groups etc. among other things as defined by the National Medical Commission.

And

Whereas the Second Party is a Non-Governmental Organisation (NGO) working towards leprosy prevention, management and rehabilitation of leprosy patients in the Districts of Southern Tamil Nadu, India.

A. BACKGROUND

In an effort to improve the health care access to leprosy patients and also to aid in their rehabilitation, and also provide Medical students with knowledge about this special interest group, the First Party and the Second Party have agreed in principle for the welfare of the people to work symbiotically to ensure provision of amenities by way of medical camps and health educational activities in the Madurai District.

B. SCOPE OF PARTNERSHIP

The First Party and Second Party will as and when required during the period of this Memorandum of Understanding, collaborate on such mutually agreed initiatives that have potential to improve the life of leprosy patients in the District, in a systemic manner.

C. OBJECTIVES

- 1. To improve the health care access of leprosy patients by providing primary care and referral services.
- To provide the medical students an opportunity to understand various Epidemiological determinants, clinical manifestations and diagnosis of leprosy.
- 3. To provide the medical students an opportunity to understand the role of an NGO in Leprosy control.
- 4. To involve the medical students in conducting research among leprosy patients.

D. ROLES & RESPONSIBILITIES

1. The Department:

a. Service: The Department will be responsible for providing basic medical services at designated location in the community. It will also be responsible for preparation of IEC material and training of the students in providing health education.

b. Manpower: The first party will provide manpower in undertaking the activities coming under the

MoU.

PROPESSOR & HEAD

SECRETARY 12022
MADURAI HEALTH AND LEPROSY

No. 12/10, Sister Rose 2nd Street Melaponnagaram

Madurai-625 016, Tamilnadu

c. Materials: The Department will be responsible for materials required for provision of basic medical

care in terms of drugs and laboratory tests to the patients attending the camp.

d. Transport: The Department will be responsible for transportation of Doctors and Students to the

designated camp site.

e. Research: The Institute will be responsible for maintaining the confidentiality of all data collected

for research & publication purposes.

2. The NGO:

a. Teaching Students: The NGO will be responsible to teach the medical students/interns about the

prevention, management and rehabilitation required by leprosy patients and the various

activities/initiatives undertaken by the NGO in this context.

b. Identifying Beneficiaries: The NGO will be responsible for identifying the leprosy patients who

will be benefited from the activities covered by the MoU.

c. Identifying location: The NGO will be responsible for identifying location/facilities for conducting

the IEC, medical camps and other health promotional activities that are convenient for the Department

and the beneficiaries.

d. Arrangement: The NGO will make all necessary arrangements at the facility identified for each

activity.

e. Publicity: The NGO will be responsible for taking the information about each activity to the

beneficiaries so that they are aware about such activities and can avail the benefits.

f. Research: The NGO will be responsible for helping the students to organise the survey and collect

data among leprosy patients.

E. FORCE MAJEURE

Neither party shall be liable to the other in respect of anything which, apart from this provision,

may constitute breach of this Agreement arising by reason of Force Majeure, namely circumstances

beyond the reasonable control of either party which shall include (but shall not be limited to) acts of

God, military authority, acts of the public enemy, war, riots, civil disturbances, insurrections, accidents,

explosions, fires, earthquakes, floods, transportation embargoes, epidemics etc. However, if as a

consequence of such cause, performance by a party under this Agreement shall be prevented for a

period longer than three (3) month, then the other party shall have the right to terminate this

Agreement. The terms of termination under this condition will be with no liabilities or penalties.

F. GENERAL PROVISIONS

- 1. Governing Law and jurisdiction: The parties hereby agree that this Agreement and all questions arising with it are governed by and will be construed according to the laws from time to time in force in India and the state of Tamil Nadu and the parties irrevocably submit to the authority of the courts having jurisdiction in Tamil Nadu.
- 2. Severability: In the event of any of these terms, conditions or provisions of this Agreement shall be held to be invalid, unlawful or unenforceable to any extent, such term, condition, provision shall to that extent be severed from the remaining terms, conditions and provisions which shall continue to be valid to the fullest extent permitted by law and both parties agree to replace any invalid provision with a valid provision which most closely approximates the intent and economic effect of the invalid provision.

G. Time Period of the MOU

The MoU will be valid for a period of 1 year from the date it is signed by both parties, i.e. till (Date). It can be extended for another one year or its scope increased by mutual agreement. During the validity of the MoU, either party can terminate the agreement by giving one month's notice. In the notice period, both parties will strive to bring the program to a smooth closure.
