30 ACADEMIC COUNCIL MEETING - MINUTES

12/1/2017

Academic council meeting was held in the boardroom at 8.30 am on 12/1/2017. Dean, Dr. Raja Muthaiah welcomed the members. After discussion and deliberation following issues were resolved.

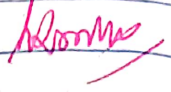

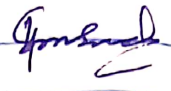

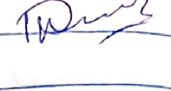

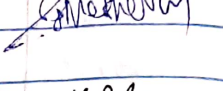

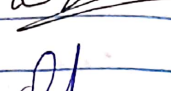

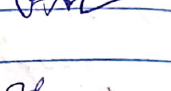

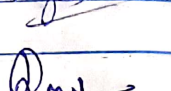

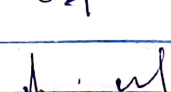

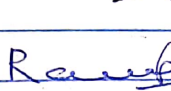

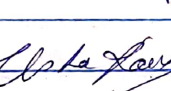

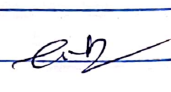

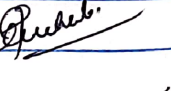

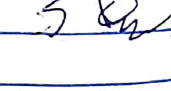

1. Dean appreciated the faculty for their cooperation during last MCI inspection happened in Dec'16. He made the house aware about the queries raised by inspection team and issues was discussed with respect to their rectification.
2. It was requested to take up the clinical classes more effectively and monitor the clinical notes of medical students properly.
3. Dr. Chandrasekaran, HOD of General Medicine suggested that out of 5 Units of Medicine one unit can take care of the entire op. Other units can take care of the other work like MHC, call overs, ward rounds in-p and clinical teaching. It was informed that for call overs there were 5 doctors available earlier and out of 5 doctors 2 were deputed to MHC.
4. It was suggested that from March onwards three batch students will come for clinical classes. Therefore, the continuance of 5 Units would be better.
5. It was observed that few students are not attending all class. It was resolved by dean by stating that attendance records of all classes will be kept, compute and compare to see this irregularity.
6. It was observed that JRs are not maintaining the proper get-up. Medical Superintendent Dr. S. Somasundaram requested all professor attended the meeting that all JRs must wear the white coat while in Hospital premises.

- They should convey the same message to other other faculty members also to have the better compliance.
7. It was ~~enforce~~ advised to enforce discipline upon the medical students while they are coming to attend the class and posting (wearing) chapels, jeans, without shaving etc.
8. All faculty should take care about students habits. Student should have good food habits. They should not take chocolate in place of breakfast and food.

The meeting was concluded with the vote of thank to the chair.

9. It was proposed to organise an integrated teaching respiratory function test involving Dept of Physiology, Pharmacology and Res. Medicine.
