6.2.2

ERP Document

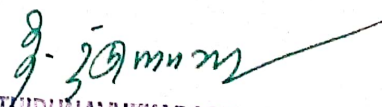

Employee Administration is maintained in the SAVIOR Payroll software. Staff of the college use official mail ID generated from IT services of the college using Zimbra Mail server solutions. SMS service is used to send information to Staff, Students and parents informing their wards attendance and performance.

E- Governance is in place with related software in terms of planning by maintaining transparency in admission by sharing information to the stake holders through software and website. ERP modules include:

1. Savior Payroll Software
2. Kranium Health care
3. Tally - Prime
4. Securite Endpoint Solutions
5. IPACS
6. Autolib/OPAC
7. TNMGR University Website for Examination System

The college has uploaded Minutes of Meeting of Governing council, IQAC and Various committees on college website for the consumption of stake holders. College Website is designed to be dynamic to share the university related details to student and staffs
