VELAMMAL MEDICAL COLLEGE

HOSPITAL AND RESEARCH INSTITUTE

MADURAI - 625009

Department of Pharmacology

Our vision:

To be nationally renowned for excellence in pharmacology research and scholarship, with the ultimate goal of improving human health.

Our mission:

- To expand our strengths in cancer and neuro pharmacology
- To acquire new expertise in toxicology and drug metabolism
- To develop and improve the educational environment by enhancing the acquisition of knowledge and skills .
- To promote interdisciplinary graduate and medical pharmacology education.

Prof. T. THIRUNAVUKKARASU, M.D., D.A.,
Dean

VELAMMAL MEDICAL COLLEGE

HOSPITAL AND RESEARCH INSTITUTE

MADURAI - 625009

Department of Microbiology

Vision:

- To produce highly qualified and competent students and make them updated in current and emerging trends in microbiology.
- Dedicated to providing every patient with the services of uncompromising quality with speedy, error free report.

Mission

- To identify the weaker sections of the students and to pay special attention on them so that their competency will be enhanced on par with other students.
- To improve the standard of the technologists with periodic training and make them competent in diagnostic services.

Achievements

- Every year more than 20 students are getting distinction and 5 students are getting honour in the final university examination in microbiology.
- Obtained NABL accreditation for molecular testing, microbiology and serology in the year 2019 and 2020 respectively. Subsequent renewal of the accreditation has been done till 2023.

Prof. T. THIRUNAVUKKARASU, M.D., D.A.,
