HOSPITAL AND RESEARCH INSTITUTE
MADURAI - 625009

7.1.3

**Facilities for Alternate Source of Energy & Energy
Conservation Measures**

- Our institution has embraced alternate sources of energy and adopted energy conservation measures recognizing the importance of conservation of the same.
- The institution has been replacing the traditional tube lights with LED lights in the past 7 years.
- This has led to a power saving of about 2% annually.
- Solar panels installed in the student hostels have also ensured a significant reduction in power consumption.
- 16 solar panels with 2 tank of 2500 liters capacity each have been installed to ensure adequate water availability to meet the needs of the students.
- The College Hospital has Sensor based doors
