

VELAMMAL MEDICAL COLLEGE
HOSPITAL AND RESEARCH INSTITUTE
MADURAI - 625009

2.5.4

List of opportunities provided to students for midcourse improvement of performance through Timely administration of CIE, On time assessment and feedback, Makeup assignments/tests and Remedial teaching/support

- The department conducts ward leave examination after completion of clinical posting in ward. The schedule is informed at the beginning of the clinical posting by faculty. This enables the students to be aware of the examination dates and prepare for the examinations without any surprise.
- Clinical ward leave exam conducted by department faculty and marks are allotted on the basis of performance, attendance, approach of case presentation.
- Students with difficulty in performance are encouraged to attend more clinical posting and ward rounds in evening hours with faculty.
- Remedial measures included with one-to-one teaching for slow learners. Library hour for students Un-limited access to books. Training students for examination with more clinical exposure. Complete revision of portions done with student seminars and group discussion sessions. Counselling and aid given to students with difficulties for better performance.
