### **MADURAI - 625009**

#### **5.2.2**

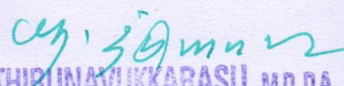

### **Annual Reports of Placement Cell**

#### **1. Preamble:**

Velammal Medical College and Research Institute is committed to provide academic excellence throughout the undergraduate and postgraduate course. The Institution is whole heartedly committed in the future of the students. In view of this, the college is engaged in providing information regarding career development and job opportunities and to upgrade the professional skill of students. Students are also prepared for interview skills required for placement overseas.

#### **2. Objectives:**

- To organize lectures/programs in order to make the students aware about career opportunities and job opportunities in various specialties.
- To register the students on various online portals for job opportunities in Government as well as non-Government sectors.
- To conduct activities to upgrade the skill of students.
- To conduct counselling sessions and to prepare the students for interview.
- To provide information about the recent vacancies in different Govt. & Non-Govt. sectors.
- Students will be informed about the interview date in advance.
- If the student is appointed, they have to submit the details regarding postings to the Placement Cell.

### **Formation of Placement Cell:**

For effective fulfillment of the above-mentioned objectives, Student Placement Cell is formed by the Dean every year. The cell consists of 5 members, 3 members from teaching staff and 2 members from clerical staff. Among these members one will be elected as Chairman, another one as Member secretary and rest are Members of the Placement cell. Placement cell will plan and execute the activities. Cell will work for a duration of 1 year. Minimum two meetings will be conducted during the tenure of the cell.

### **Roles and Responsibilities:**

#### **Chairman:**

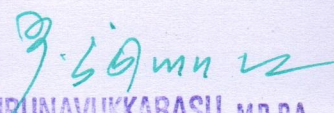

- To plan the activities and monitor the work of members of the cell.
- To report to the Dean about progress report of the cell.

#### **Member Secretary:**

- To execute the activities with the help of members.
- To report to the Chairman.
- To conduct meetings, prepare minutes of meeting and annual report

#### **Members**

- Members will be directly involved in activities.
- Apart from routine activities of the cells, records will be maintained by clerical members.
