- Dr. Trupti explains criteria-2 and gave some suggestions regarding implementation of uniform standards for identifying slow learners and remedial measure to improve the performance of these students.
- Clarification of PG teachers experiences for Medical college and allied health science college was done by Dr.Geetha Sivasubramanian and asked to include both the courses PG Teachers eligibility separately.
- Dr.Sriandaal suggested creating a Central portal for uploading the camp details. It was insisted to involve more number of the students in outreach activities and medical camps in order to expose them to real life situations which were readily accepted by Dean sir and other committee members.
- In order to improve the faculty participation in utilization of E-learning resources provided by the institute it was recommended to create the ID and Password for individual faculty using Library Management System. Vice Principal, Dr P K Mohanty acknowledged it and promised to see the feasibility.
- Dr. Natraja rathinam explains criteria 5 progress and discussed the organization of alumni association meeting after the NEET examination.
- Dr. Yogesh explained criteria 6 and suggested that vision and mission should be displayed in few additional areas.
- Dr. Sriandaal explained criteria -7, and suggested that code of committee should focus on organizing more gender equity programmes in order to create a widespread awareness among all cadres of employees. Strengthening of some of the best practices of the institute like effective implementation of 'Velammal community health service' and 'blood donors club' in the year 2021 considering the covid -19 situation was discussed.
- Student representative Mr. Sidharth M Rahejaa, (2018 batch) urged committee members to look into the process of sponsorship of the institution and application of the USMLE process. Vice Principal, Dr. P. Mohanty explained the progress and promised to complete the process.
