7.1.8

Details of Faculty Religion wise and Gender wise

Velammal medical college is located at the high way which is easily accessible by all the people of Southern district bypassing the traffic prone city centre for easily accessible multi-specialty hospital care.

The institute is committed to providing an inclusive harmonious environment for all the students and the working force standing as an example to follow the concept of Unity in diversity. It supports and maintains a harmonious environment supporting people from diverse cultural, regional, linguistic, communal and socio-economic background.

Cultural Diversity:

The campus has a temple, church and a mosque. Our honorable chairman has been awarded "**Samaya Sangama Vithagar**" owing to his broad mind for supporting and respecting religious beliefs of people as an indicator of appreciation inside Velammal campus.

Velammal provides great opportunities and promotes the extracurricular talents of our students and faculties by conducting Cultural & Sports events. Our students have participated in sports activities at University, District, State and National Level and won several prizes.

Annual cultural events are conducted with competitive events promoting the talents of students and faculties irrespective of their socio economic and religion diversities.

Yoga club has been formed in the college which organizes, yoga activities to improve the physical and mental health of the members and also awareness programs for patients and their family members. Every year our Institute celebrates International Yoga Day. The hallmark of this celebration is the creation of Yoga club where the students and Faculties are involved.
