DEPARTMENT OF COMMUNITY MEDICINE

TUBERCULOSIS AWARENESS PROGRAM

Date: 28th March 2024

Location: VMCH&RI

Participants: II-year MBBS students

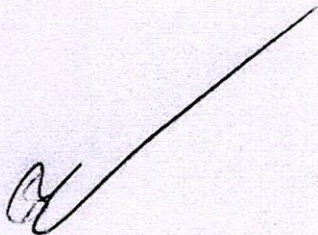

Time: 10.00 am – 01.00 pm

Organizer: NSS unit in collaboration with Department of Community Medicine.

Faculty: Dr Praveena, Associate Professor & Dr Balakumaran, Senior resident

The Department of Community Medicine organized a health awareness program on tuberculosis on March 28th as part of WORLD TB Day celebrations for the housekeeping staff of VMCH&RI. The team consisted of an associate professor, senior resident and second-year MBBS students.

Second year MBBS students organized a skit for housekeeping staff followed by health awareness using placards. The awareness session focused on clinical features, stigma associated with tuberculosis, Do's, Don'ts, and benefits provided by the Government of India for tuberculosis treatment and nutrition. An interactive session was then held by Dr. Balakumaran to clear any doubts. The awareness session was summarized and concluded by Dr. Praveena.

DEPARTMENT OF COMMUNITY MEDICINE

WORLD EARTH DAY CELEBRATION

Date: 22nd April 2024

Location: Eluvani

Participants: II-year MBBS students

Time: 10.00 am – 01.00 pm

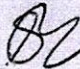

Organizer: NSS unit in collaboration with Department of Community Medicine.

Faculty: Dr Alamelu, Assistant Professor & Dr Bharath Rajh, II-year Post Graduate

The NSS unit of Velammal Medical College in collaboration with Department of Community Medicine, VMCH & RI, Madurai, celebrated the world earth day on 22nd of April 2024 in Eluvani, Madurai.

On the World Earth Day, to save environment we planned to plant five trees at Eluvani village. 16 students of 2nd year MBBS have participated in the program. Prior to the visit, students were instructed to prepare placard and charts regarding global warming, environmental factors causing global warming, go green initiatives and etc, for the purpose of health education in the community.

At the location, students were spilt into five small groups and each group planted one tree in the pits. After planting trees, people in that locality were gathered around, to whom the students gave health education about the need for green initiative and planting trees, its benefits were briefed by the faculties with the help of charts and placards.
