### Appreciation letter

The team from Velammal Medical College, including doctors from the community medicine department and MBBS students, organized a leprosy awareness rally on 30th January in LKT Nagar, Viraganoor village, Madurai district. The rally aimed to educate the public about leprosy and its symptoms, with medical students distributing informative leaflets to raise awareness. As the leprosy NGO, I really appreciate the community medicine department staffs and students for this wonderful event.

Thanks and Regards,

Mr. M Raja

### Appreciation Letter

The team from Velammal Medical College, including 1 assistant professor, 1 postgraduate student and 15 MBBS students from the community medicine department organized a leprosy screening & awareness campaign on 29<sup>th</sup> April 2024 in Mayapuram village, Vadipatti tk, Madurai district.

Medical students conducted a door-to-door leprosy survey in this village and also screening the villages people and distributing leprosy pamphlets. They screened 256 individuals of all age group. Through this survey one person was identified with a hypopigmented anaesthetic patch and referred for confirmation to the nearby primary health centre. From there on, we followed up with the patient for further management. As a leprosy NGO, I really appreciate the community medicine department's efforts and ask for their continued support and services.

Thanks and Regards,
