MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made and executed at Madurai, Tamil Nadu on 15th day of October 2022, By and between

The Department of Physiology, Velammal Medical College Hospital & Research institute, Madurai, represented by Dr.S.Anu, Professor & Head of the Department (Hereinafter referred to as the "First Party" or Department)

AND

C S Ramachary Memorial Matriculation Hr Secondary School run by CSR Educational Trust, having its premises at No 134, GST Road, Tirunagar, Madurai 625006, in the state of Tamil Nadu represented by Mr. C R Venkatesh, Secretary, (Hereinafter referred to as the 'Second Party').

Whereas the first party is a teaching department in a medical college that is tasked with teaching and training the medical students about provision of health care in the community, health needs of special groups etc. among other things as defined by the National Medical Commission.

And

Whereas the Second Party is a Matriculation Higher Secondary School for boys and girls having classes from LKG to XII

PROFESSOR & HEAD
Department of Physiology
Velammal Medical College Hospital
& Research Institute
Madurai-625 009

CONFIDENTIAL

In order to update the knowledge of medical students regarding the existing physical and mental health issues faced by the school students and to make the school students aware of the healthy and hygienic practices in daily life, the First Party and the Second Party have agreed in principle to work together and conduct medical camps in the school campus regarding school health issues.

B. SCOPE OF PARTNERSHIP

The first party and Second Party will as and when required during the period of this Memorandum of Understanding, collaborate on such mutually agreed initiatives that have potential to improve the quality of learning among the school students, in a systemic manner.

C. ROLES & RESPONSIBILITIES:

1. The Department:

- a. Service: The Department will be responsible for providing the basic information regarding the health issues at the school campus. It will also be responsible for preparation of IEC material and training of the students in providing health education.
- b. Manpower: The first party will provide manpower in undertaking the activities coming under the MoU.
- c. Materials: The department will be responsible for materials required for provision of basic medical care in terms of IEC (information, education and communication) materials to the school students attending the camp.
- d. Transport: The department will be responsible for transportation of Doctors & Students to the designated camp site.

2. The second party:

- a. Teaching Students: The second party will be responsible to provide information on the common physical and mental health issues among the school children and the various activities/initiatives undertaken by the of the second party in this context.
- b. Identifying Beneficiaries: The second party will be responsible for identifying the school students with health issues who will be benefited from the activities covered by the MoU.
- c. Identifying location: The second party will be responsible for identifying location/facilities for conducting the IEC, medical camps and other health promotional activities that are convenient for the department and the beneficiaries.
- d. Arrangement: The second party will make all necessary arrangements at the facility identified for each activity.
- e. Publicity: The second party will be responsible for taking the information about each activity to the beneficiaries so that they are aware about such activities and can avail the benefits.

D. FORCE MAJEURES

Neither party shall be liable to the other in respect of anything which, apart from this provision, may constitute breach of this Agreement arising by reason of Force Majeure, namely circumstances beyond the reasonable control of either party which shall include (but shall not be limited to) acts of God, military authority, acts of the public enemy, war, riots, civil disturbances, insurrections, accidents, explosions, fires, earthquakes, floods, transportation embargoes, epidemics etc. However, if as a consequence of such cause, performance by a party under this Agreement shall be prevented for a period longer than three (3) months, then the other party shall have the right to terminate this Agreement. The terms of termination under this condition will be with no liabilities or penalties.

F. GENERAL PROVISIONS

1. Governing Law and jurisdiction: The parties hereby agree that this Agreement and all questions arising with it are governed by and will be construed according to the laws from time to time in force in India and the state of Tamil Nadu and the parties irrevocably submit to the authority of the courts having jurisdiction in Tamil Nadu.

2. Severability: In the event of any of these terms, conditions or provisions of this Agreement shall be held to be invalid, unlawful or unenforceable to any extent, such term, condition, provision shall to that extent be severed from the remaining terms, conditions and provisions which shall continue to be valid to the fullest extent permitted by law and both parties agree to replace any invalid provision with a valid provision which most closely approximates the intent and economic effect of the invalid provision.

G. Time Period of the MOU

The MoU will be valid for a period of 1 year from the date it is signed by both parties, i.e. till 14 10 2023 (Date). It can be extended for another one year or its scope can be increased by mutual agreement. During the validity of the MoU, either party can terminate the agreement by giving one month's notice. In the notice period, both parties will strive to bring the program to a smooth closure.
