# VELAMMAL MEDICAL COLLEGE

HOSPITAL AND RESEARCH INSTITUTE

MADURAI – 625009

## **Summary on adequate facilities for teaching-learning. viz., classrooms, laboratories, computing equipment etc. in the institution**

1. The Velammal Medical college and hospital and Research Institute is located in the heart of Madurai city with hospital buildings spanning over 89910.29 sq. mts. and the medical college campuses are spread over with nearly 22439.32 sq. mts. The Institute is endowed with modernistic buildings consisting of exorbitant physical infrastructure ensuring facilities for teaching and learning. The campus is having excellent greenery and gardens providing serene surroundings adding to its ambience.
2. Each department is provided with separate section that caters their academic, administrative and other supportive needs as stipulated by the statutory body viz. MCI. The Departments have established their own separate and self-contained space for faculties and non-teaching staff, departmental libraries, classrooms, museum and seminar halls, demonstration rooms, skill labs, CAL labs and other high tech laboratories, dissection hall with the ancillary laboratories, office space, student amenities, guest houses, and hostel facilities for students and residential facilities for faculty to facilitate the conduct of the various academic, research and training and extension activities associated with the teaching and learning processes.
3. Spacious, centrally air-conditioned 4 lecture halls & 15 Seminar halls are available for conducting various theory classes and guest lecture sessions and are mutually used by all the departments.
4. The classrooms are well-lit, well-ventilated and well equipped to meet the audio-visual needs as well as conventional teaching tools and furnished comfortably to meet the student requirements. To ease the audio-visual needs, handsfree mics, Computer/ Desktop, LCD projectors, OHPs, adequate numbers of chairs and tables/ Working & Demonstration tables/ Ventilation, etc, are provided. Some of the classrooms/labs are air-conditioned as required by the statutory bodies.
5. Provision for conducting integrated teaching, debates, quiz and community-oriented activities is in place.
6. Separate 45 demonstration rooms available for clinical teaching. Each OPD cabin has view box, where students be shown x rays for learning radiological findings. Bedside and community site teaching (field visits to urban health

centres) are made available that gives opportunity for the students for direct contact with the patients, observation and clinical reasoning. Clinical demonstration room is attached to each ward for regular bed side teaching. Facilities available to impart and enhance clinical judgement, communication, procedure, attitude and ethics.

7. Facilities like videoconferencing, various research CDs and DVDs, broadband internet facility is provided for the department to meet their needs of research-oriented programs.
8. All the department laboratories are well equipped with modern, modular and functional workspaces consolidating the student needs of water, electricity, gas and ICT needs. The laboratories are designed with the safety features infused in the infrastructure and create an excellent ambiance and atmosphere for work.
9. The infrastructure facilities established in various departments/sections are kept open for the students and faculty during working hours and extended hours whenever required. Library and internet facilities are kept open on holidays/extended hours for all the students so as to utilise the learning resources to the maximum.
10. Spacious, centrally air-conditioned auditorium are available for conducting CMEs, workshop programs and other academic meets.
11. Centrally air-conditioned central library and central research laboratory provided by Institute gives students, an opportunity to expand their learning
12. A separate administrative section for disseminating the administrative policies and easing inter-departmental communications is present in the institute.
13. The college has support amenities for students like mentorship programs that stimulate their concentration and learning.
14. For maintenance of the infrastructure, working team comprising IT, biomedical, electrical, civil, mechanical with experts' staff are made available on full time basis.
