

Excel Workshop for Beginners

- Presented by : Dr.R.Durai Arasan, Senior resident, Physiology.
Dr.Vijay Anto, Statistician, Community Medicine.
Dr.Noel Naveen Johnson, Senior resident, Physiology.
Dr.J.T.Ajit Kumar, Assistant Professor, Physiology.
- Date & time : 07.10.2023 11.00 am to 01.00 pm,
14.10.2023 11.00 am to 01.00 pm,
21.10.2023 11.00 am to 01.00 pm,
28.10.2023 11.00 am to 01.00 pm.
- Topic : Excel Workshop for Beginners
- Participants : Faculty and postgraduates of Velammal medical college
- Number of participants : 17
- Venue : Seminar Hall, Dept. of Physiology, Velammal medical college
- Conducted by : Dept. of Physiology, Velammal medical college,
Dept. of Community Medicine, Velammal medical college.

A workshop in Excel training for beginners was planned by Department of Physiology along with Department of Community Medicine, Velammal medical college from 07.10.2023 to 28.10.2023 from 11.00 am to 01.00 pm.

The workshop was conducted in four session each Saturday from 11.00 am to 01.00 pm. The sessions were divided into two sessions each day and practice files were shared in the WhatsApp group created and were worked out immediately by the participants.

Prof. T. THIRUNAVUKKARASU, M.D., D.A.,
Dean
Velammal Medical College Hospital
and Research Institute
"Velammal Village"
Madurai-Tuticorin Ring Road
Anuppanadi, Madurai-625 009, T.N.

The sessions' breakdown is given below:

Session	Date and time	Topics covered	Speaker
Session 1	07.10.2023, 11.00 am to 01.00 pm	Welcome speech	Dr.S.Anu Professor and Head, Physiology
		Introduction to Excel, basics in excel data entry, excel worksheet alignment	Dr.R.Durai Arasan, Senior Resident, Physiology
		Excel formulae entry and data calculations	Mr.Vijay Anto, Statistician, Community Medicine
Session 2	14.10.2023, 11.00 am to 01.00 pm	Basic Excel functions and their applications	Dr.R.Durai Arasan, Senior Resident, Physiology
		Data cleaning and its uses	Mr.Vijay Anto, Statistician, Community Medicine
Session 3	21.10.2023, 11.00 am to 01.00 pm	Basic statistics and data entry in Excel	Dr.R.Durai Arasan, Senior Resident, Physiology
		Charts in Excel and their applications	Dr.Noel Naveen Johnson, Senior Resident, Physiology
Session 4	28.10.2023, 11.00 am to 01.00 pm	Saving Excel files and conversion of Excel to pdf file	Dr.J.T.Ajit Kumar, Assistant Professor, Physiology
		Revision of previous classes and additional function which are useful in daily basis followed by Q&A form the participants	Dr.R.Durai Arasan, Senior Resident, Physiology
		Vote of Thanks and Certificate distribution	Dr.S.Anu, Professor and head, Physiology

 Dean
 Velammal Medical College Hospital
 and Research Institute
 "Velammal Village"
 Madurai-Tuticorin Ring Road
 Anuppanadi, Madurai-625 009, T.N.

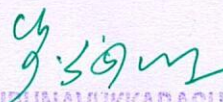

Each session was concluded with an assignment, and each assignment was reviewed at the beginning of next session.

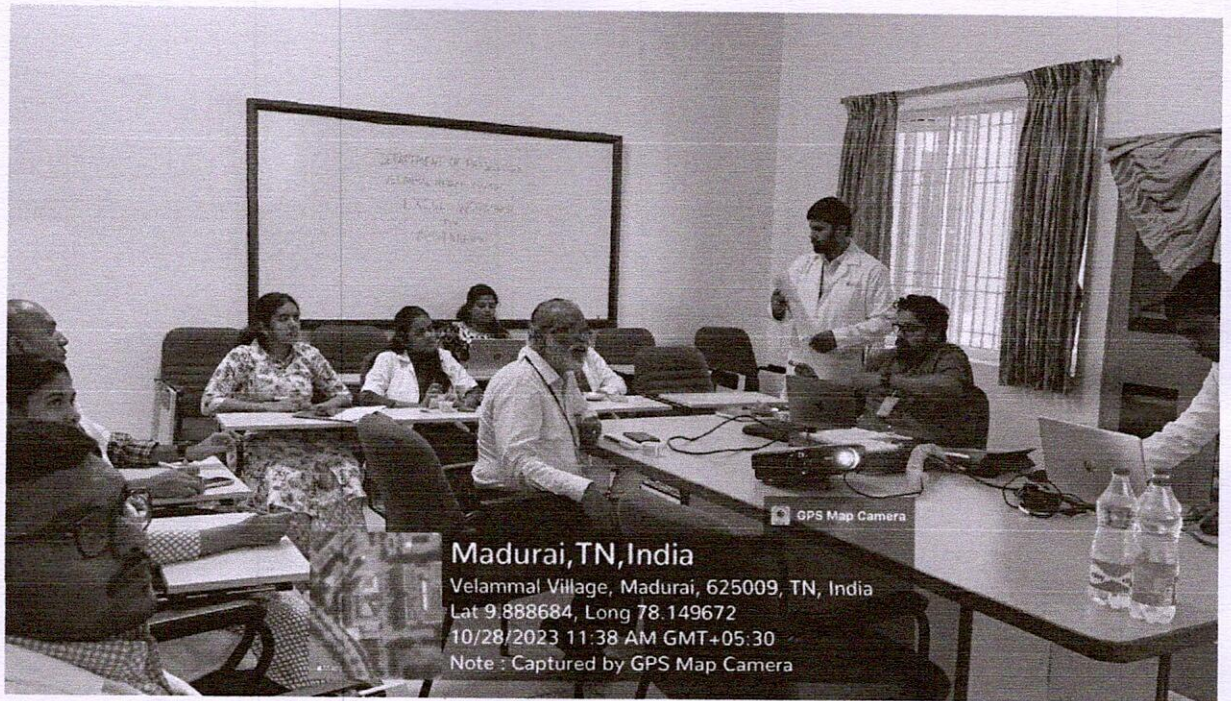

Participants were from the departments of Microbiology, ENT, Radiology, Pharmacology and Community Medicine. The participants included the Heads of the departments, faculty members as well as postgraduates.

Each session started with a brief recall of the previous session conducted and a review of the assignments given in the previous session. Each session was conducted as hands on training in Excel software in which the participants were given small tasks for each feature and functions in the Excel program which were actively completed by the participants during the sessions themselves. Finally, each session ended with a summary of that day's topics.

In the final session of the final day, each of the session's topics were summarized and reviewed. At the end, certificates were given to all the participants and the resource persons. Vote of thanks was given by Dr.S.Anu, Professor and head, Physiology.

Orientation Program for First Year M.B.B.S. Students

An orientation program for the newly joined first year M.B.B.S. students was conducted by Velammal medical college.

The program was conducted during the first week of September 2023 for the newly joined batch of 2023-2024.

The program included orienting the students regarding various languages and communication. The purpose of this orientation is to make the students accustomed to various challenges encountered while treating patients from various language backgrounds.

This program includes a communication and language module which includes

- FC 5.1 and FC 5.2 which is for The Tamil Language
- FC 5.3 which is for Conversing with patients in English
- FC 5.1, FC 5.2 and FC 5.3 which is for Dealing with patients with a language unknown to you.

FC 5.1 and FC 5.2 - The Tamil Language:

- Understand the historical and cultural significance of the Tamil language as one of the oldest living languages and its role in shaping Tamil identity.
- Learn the basics of Tamil grammar, vocabulary, and pronunciation to enhance communication skills in personal and professional contexts.

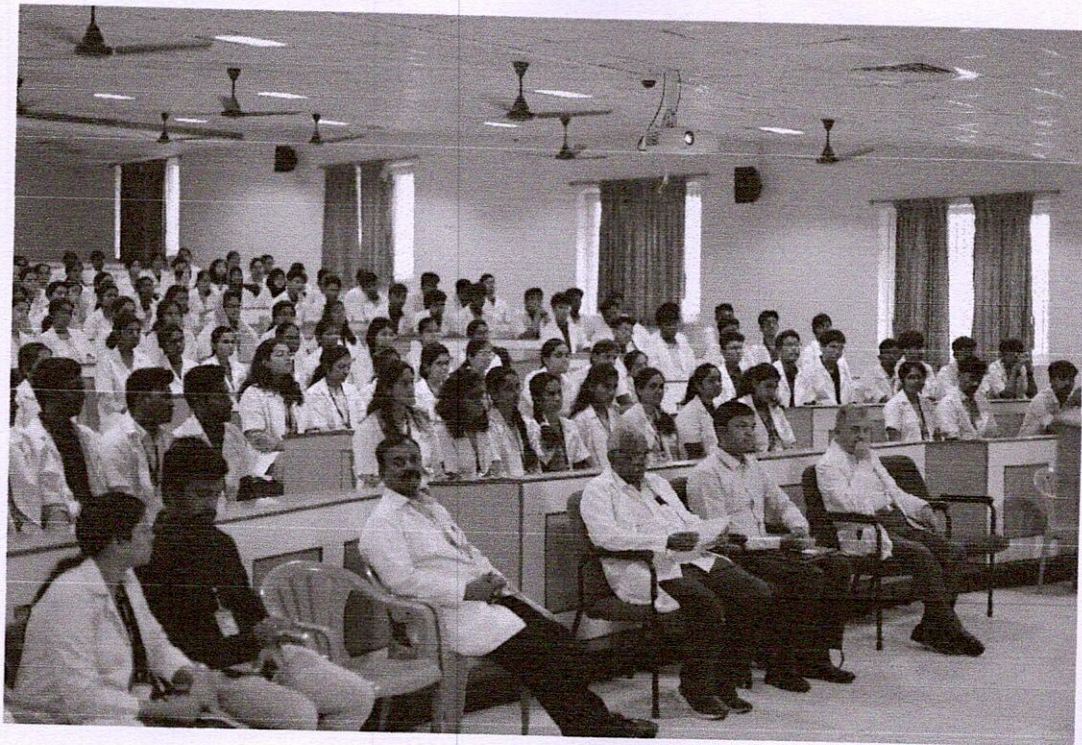

FC 5.3 - Conversing with patients in English:

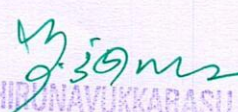

- Understand the importance of effective communication in English for building rapport with patients and ensuring quality care.
- Learn essential medical vocabulary and phrases used in patient interactions to facilitate clear and accurate communication.
- Develop active listening skills to better understand patients' concerns and respond appropriately during conversations.

FC 5.1, FC 5.2 and FC 5.3 - Dealing with patients with a language unknown to you:

- Understand the challenges and importance of effective communication when interacting with patients who speak an unfamiliar language.
- Learn strategies for overcoming language barriers, including the use of interpreters, translation apps, and non-verbal communication techniques.
- Develop skills to demonstrate empathy and patience, ensuring that patients feel understood and respected despite language differences.

Clinical Society Meetings

Clinical society meetings are conducted regularly by the department of Anaesthesia. The meetings are regularly conducted in the hospital auditorium. Faculty from various departments and students of final year M.B.B.S. and CRRIs as well as postgraduates of the various departments attend the meetings. Attendance for the concerned department CRRIs and postgraduates are mandatory.

The purpose of the meetings is to orient the students in various clinical topics and clinical cases of the current clinical scenario. The various investigations and treatment modalities available for the concerned cases which are presented in each session is discussed by various faculty and postgraduates as well as the follow up and further treatment protocols are discussed.

These sessions are conducted regularly and clinical cases from various departments are presented in each session.

The list of the meetings conducted and the attendance for each sessions are attached as separate image files.

World Breastfeeding Week

World breastfeeding week was conducted by the department of Paediatrics.

It is conducted from August 1st to August 7th of every year.

Various programs were conducted for the students of medical college, nursing college and allied health sciences regarding the awareness of breastfeeding.

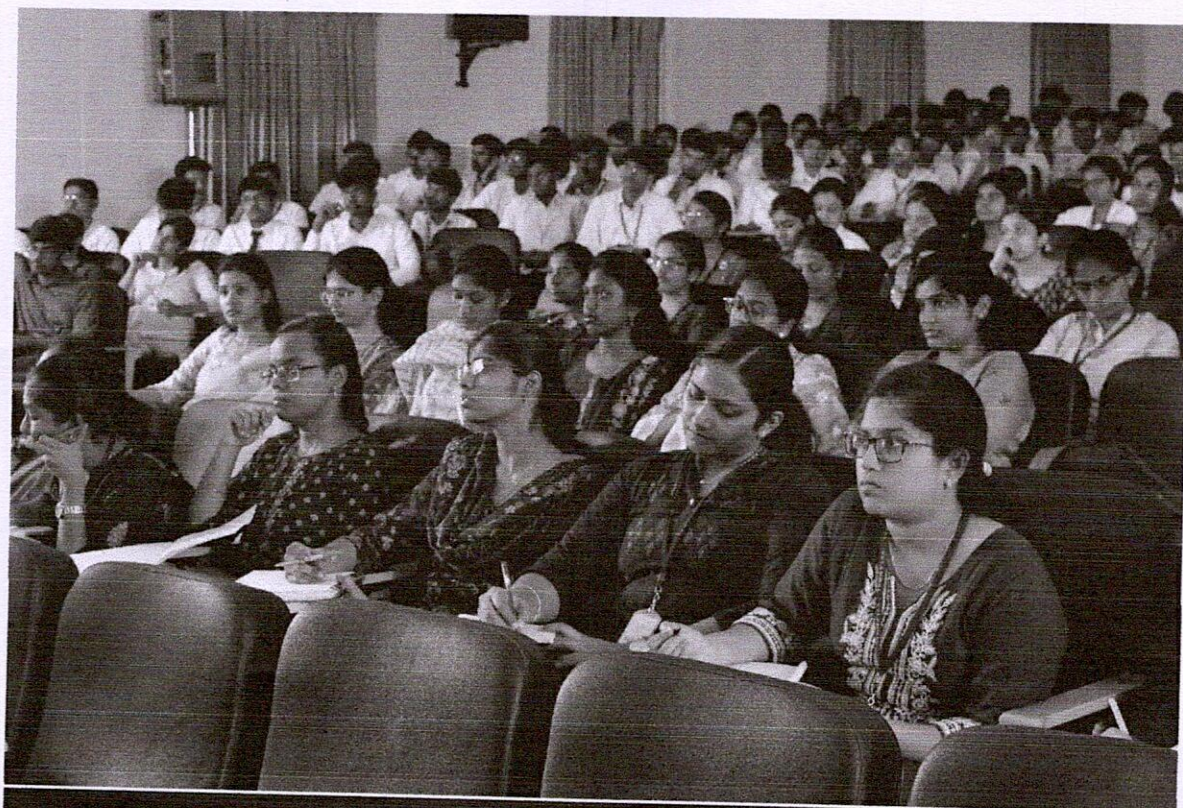

Students from M.B.B.S final year part 1 and 2, nursing students and allied health sciences students participated in various activities.

Lectures and orientation programs were conducted in the auditorium for the students.

Various competitions were conducted for the students and prizes were given at the conclusion of the breastfeeding week celebration.

**VELAMMAL MEDICAL COLLEGE HOSPITAL
CLINICAL SOCIETY MEETING**

MAY 2024

Dear Doctors,

The Clinical Society Meeting for the month of May will be held on 15.5.2024, Wednesday at 3.00 PM to 4.00 PM in the Hospital Auditorium 3rd floor.

CASE PRESENTATION:

CASE -1

“ A RARE CAUSE OF INTESTINAL OBSTRUCTION IN A CHILD ”

Presenter- Dr. Swathi Balasubramanian
Preceptor – Dr. G. Ganesh Prabhu , Mch
(consultant in Pediatric & Neonatal Surgery and Laparoscopic Surgeon)

Department of Paediatric Surgery.

CASE

“ INTERESTING CASE OF CYSTIC LESION OF TONGUE ”

Presenter- Dr. K. Vaishnavi.,(PG in General Surgery)
Preceptor – Dr. S.R.Dhamotharan.,M.S.,FIAGES. (HOD in General surgery)

“ INTERESTING CASE OF THIGH SWELLING ”

Presenter – Dr. Ayna .,(PG in General Surgery)
Preceptor - Dr. S. Selvachithambaram., M.S.FAIS

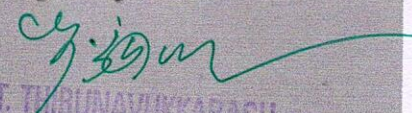

Department of General Surgery .

All are cordially invited

(All CRRIs and PGs must attend)

Prof. Dr. M. VIRGIN JOENA, MD(GM), DCH.,

DECEMBER 2023

Dear Doctors,

The Clinical Society Meeting for the month of December will be held on
20.12.2023, Wednesday at 3.00 PM to 4.00 PM in the Hospital Auditorium 3rd floor.

CASE PRESENTATION:

CASE -1

**"OCCULT BREAST CARCINOMA – UNCOMMON
PRESENTATION OF A COMMON DISEASE"**

Presenter- Dr. R. Rajkumar, MD., DM.,

Department of Medical Oncology.

CASE -2

"CYTOREDUCTIVE SURGERY AND IP CHEMOTHERAPY"

Presenter - Dr. C. Deepak Chandrasekaran, MS., MCh

Department of Surgical Oncology.

All are cordially invited

(All CRRIs and PGs must attend)

VELAMMAL MEDICAL COLLEGE HOSPITAL CLINICAL SOCIETY MEETING

OCTOBER 2023

Dear Doctors,

The Clinical Society Meeting for the Month of October will be held on
19.10.2023, Thursday at 3.00 PM to 4.00 PM in the Hospital Auditorium 3rd floor.

CASE PRESENTATION:

CASE -1

"MULTI- SYSTEM IMMUNOLOGICAL SPECIALITY "

Presentor- Dr. Ravishankar ., PG in Medicine

Presentor- Dr. Vishnu Harish CRRI

Presentor- Dr. Swathi Balasubramanian CRRI

Presentor- Karthik Zobrist (Final Year UG)

Preceptor- Dr. N. Subramanian , MD,MRCP(UK), MRCP CCT Rheum, FRCP(Edin)

Department of Rheumatology .

CASE -2

"ETEP FOR MIDLINE ABDOMINAL WALL HERNIAS "

Presentor - Dr.M.Arun kumar , DNB(GS),,

Department of SGE.

All are cordially invited

(All CRRIs and PGs must attend)

Report on Activity : Innate Talent in Final year MBBS Students

Date: 13.10.2023, 14.10.2023

Time: 1:00 PM to 4:00 PM

Venue: LECTURE HALL -4 , VMCH COLLEGE BLOCK

Participants: FINAL YEAR MBBS 2019-2020 batch students

Department of General Medicine With the aim of equipping final year medical graduate students with the essential competencies required for effective patient care conducted a clinical and communication skills workshop. The workshop focused on enhancing clinical skills, as well as communication skills, including active listening and empathy.

Workshop Design and Methodology The workshop was held over two days 13 and 14 th of October 2023 at VMCH&RI college block. A combination of lectures, group discussions, role-playing, and simulations was employed to provide a comprehensive learning experience. The facilitation team consisted of experienced clinicians and communication trainers.

Clinical Skills Training Participants were trained in a variety of clinical skills, including:

- **Physical examination:** Techniques for assessing various body systems
- **History taking:** Open-ended questioning, active listening, and documentation
- **Patient-centered care:** Understanding patients' needs and preferences

VELAMMAL MEDICAL COLLEGE HOSPITAL & RESEARCH INSTITUTE

VELAMMAL VILLAGE, ANUPPANADI, MADURAI

DEPARTMENT OF GENERAL MEDICINE

- **Diagnostic procedures:** Common diagnostic tests and interpretations

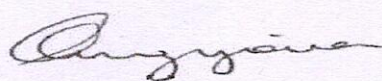

Communication Skills Training The workshop emphasized the importance of effective communication in medical practice.

Participants learned about:

- **Active listening:** Paying attention, understanding, and responding appropriately
- **Verbal and nonverbal communication:** Using clear language and body language
- **Empathy:** Understanding and sharing patients' emotions
- **Assertiveness:** Expressing oneself confidently and respectfully

Workshop Evaluation Pre- and post-workshop assessments were conducted to measure participants' knowledge and skills. Additionally, feedback surveys were administered to gather participants' perspectives on the workshop. The evaluation revealed a significant improvement in participants' clinical and communication skills.

The clinical and communication skills workshop was a successful initiative that provided valuable training to final year medical graduate students. The workshop's focus on practical skills and effective communication will undoubtedly contribute to the development of competent and compassionate healthcare professionals.

Activity Report

Topic Name: Basic Life Support

Introduction: Basic life support course is an essential course to all the people who are present in life saving situations like doctors, nurses, paramedical staff etc. Hence it is important to impart adequate knowledge about the basic life support methods and their procedures along with their difficulties for the M.B.B.S. students.

Objective: To improve the knowledge of the medical students in the basic life support methods and their procedures.

Date: 14th to 16th November 2023

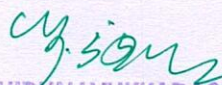

Location: Department of Anesthesia, Velammal Medical College Hospital and Research Institute, Madurai

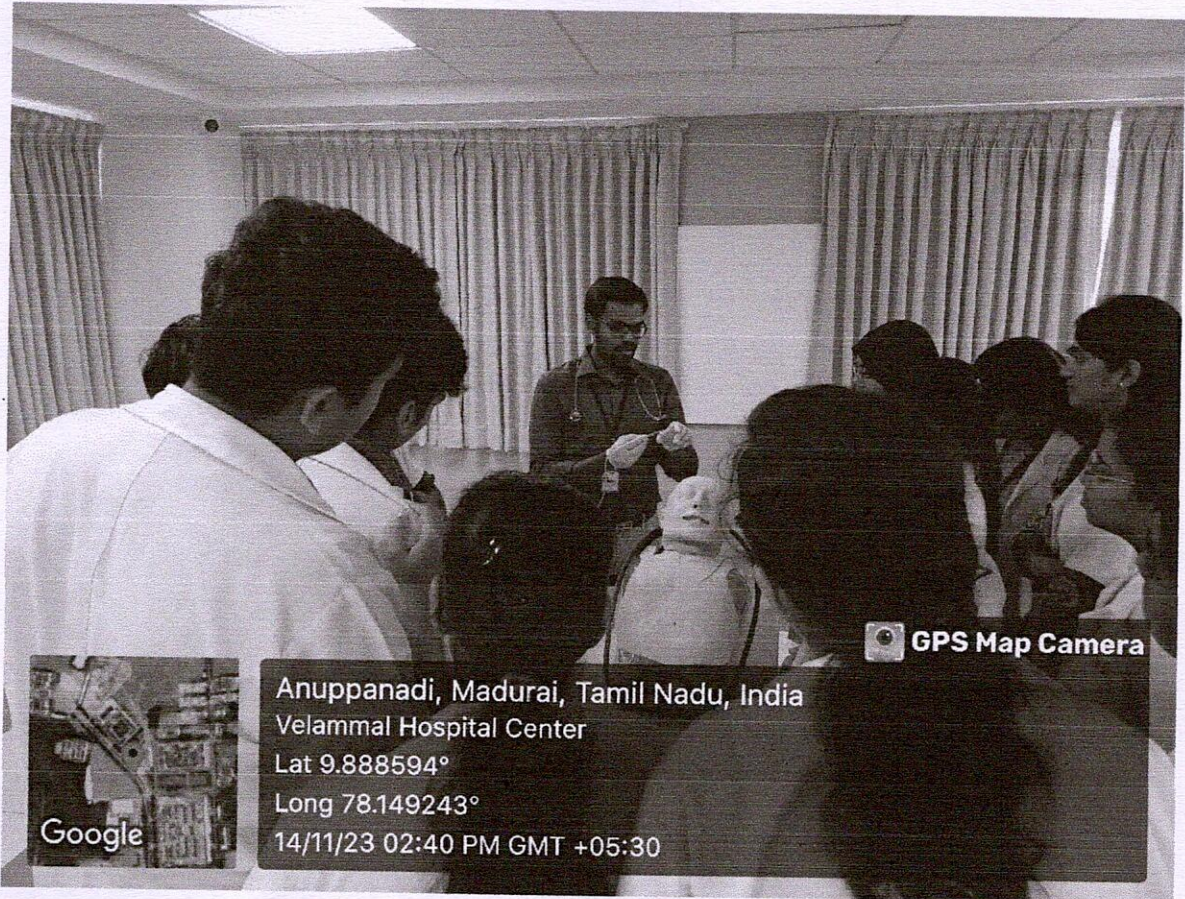

Organized by: Department of Anesthesia

Audience: final year MBBS students

Materials used: BLS demonstration and practice sessions on mannequins, Lecture hand-outs

Description: Faculty from the department of Anaesthesia took classes about the physiological basis of basic life support and the structural anatomy of the airways. The students were taken to demonstration in separate batches and were given direct hands on training by the faculty. This was followed by a session about the pathologies in the airways on day one. Day two was started with a recap from the day one. Then a session about the usage of defibrillator in life support and basics of ECG was taken. Then a session on the practicalities of basic life support was demonstrated by the faculty.
