## **WORLD MENTAL HEALTH DAY CELEBRATION – OCTOBER 2023**

### **REPORT:**

World Mental Health Day is celebrated annually on October 10th. It is celebrated to raise awareness among patients, caregivers, and the general public on the importance of mental health, and the availability of treatments and facilities so as to reduce the stigma and increase access to mental healthcare for the betterment of people and society. Mental Health professionals cater to the needs of patients in terms of appropriate evaluation, management of both pharmacological and nonpharmacological methods, rehabilitation based on the available evidence-based practice as well as addressing the needs of caregivers empowering them in managing and rehabilitating chronically ill patients. The areas of specialty include addressing adult psychiatry including geriatric populations, children, women during the perinatal and postnatal period, and substance use disorders.

The theme for World Mental Health Day 2023 is “Mental Health is a Universal Human Right”

The Department of Psychiatry, Velammal Medical College Hospital conducted the World Mental Health Day celebration on October 10, 2023. The program was inaugurated by our HOD Professor, Dr. Rabindranath in the August presence of Chief Guest Professor Dr. Anu, HOD, Department of Physiology, Guest of Honor Mr. Karuna, Nursing Director Mrs. Sheena Mary Sabin, accompanied by our Associate Professor Dr Rena Rosalind, Assistant Professor Dr Ganesan, Senior Resident Dr Gokila Rani, Clinical Psychologist Mr Arul Sherli and Post Graduates of Department of Psychiatry, students from Pre Final MBBS and Nursing students patients and their

**RESPIRATORY CARE WEEK CELEBRATION**

**THEME: OUR PASSION, OUR PURPOSE**

**Report**

Respiratory Care Week is celebrated annually during the last week in October. The celebration is to help raise awareness for the profession and recognize the amazing work of respiratory therapists who care for patients with breathing difficulties and improve lung health.

Respiratory therapists evaluate, treat, and care for patients with heart and lung diseases. They manage sophisticated life-support systems for adults, children, and premature infants.

Velammal Medical College Hospital's Respiratory Medicine department conducted a Respiratory Care Week celebration (Oct 25 to 27). Our Dean Dr. Thirunavukarasu, Medical Superintendent Dr. Ganesh Prabhu, Allied Health Sciences Principal Dr. Shanthi, and RT course director Dr. Prem Ananth inaugurated the program. The Course Director gave a Speech on the importance of Respiratory therapists in managing chronic respiratory illness. CAO started the celebration by lighting the Kuthuvilaku and initiating Rangoli and various other Competitions. All the Respiratory therapy students attended the event and nearly 60 students participated in various events in the Respiratory Care Week celebration program. Finally, the Event concluded with prize and certificate distribution on October 28 in the presence of AHS Dean Dr. Shanthi and Course Director Dr. Prem Ananth on October 28.
