5. Roles and Responsibilities

- **Chairperson:** Leads and oversees all committee activities, chairs meetings, and approves environmental policies and initiatives.
- **Co-ordinator:** Facilitates meeting arrangements, communicates decisions, documents committee activities, and ensures compliance with set objectives.
- **Members:** Actively participate in decision-making, support policy implementation, and assist in organizing awareness programs.
- **Student Members:** Represent student perspectives, participate in organizing eco-friendly activities, and engage peers in committee initiatives.

6. Key Activities

1. **Policy Development:** Formulate guidelines on waste reduction, energy conservation, water saving, and eco-friendly practices across the campus.
2. **Green Initiatives:**
 - Organize tree plantation drives and maintain greenery within campus grounds.
 - Establish a system for waste segregation with color-coded bins for responsible disposal.
 - Promote the use of reusable materials and discourage single-use plastics.
3. **Energy & Water Conservation:**
 - Implement energy-efficient lighting and appliances.
 - Conduct regular audits to monitor and optimize energy and water usage.
4. **Awareness Campaigns:**
 - Conduct workshops, seminars, and awareness programs on topics such as recycling, climate action, and resource conservation.
 - Celebrate environmental days (e.g., Earth Day) with activities that engage students, faculty, and staff.
5. **Documentation & Review:**
 - Maintain records of activities, outcomes, and achievements for reference.
 - Review initiatives annually to assess impact and identify areas for improvement.

7. Meeting Schedule

The committee will meet quarterly, with additional meetings scheduled as necessary for specific projects or events.
