

Workshop - Google forms for MCQ Test

A workshop on 08.06.2024 (Saturday) was organized by the Department of Physiology for all faculties of VMCH & RI on how to create Google forms when conducting MCQ tests.

The workshop started with a welcome address by Dr. S. Anu, Professor and Head, Department of Physiology. Dr. Noel Naveen Johnson, Senior Resident, Department of Physiology, took the audience through a stepwise process of creating a Google form while planning an online MCQ test. The PowerPoint presentation included screenshots of an actual Google form for better understanding by the audience. Special emphasis was placed on the steps that can be taken by the faculty to prevent malpractice among students while attempting these MCQ tests in their hostels. The workshop concluded with a vote of thanks by Dr. Durai Arasan, Assistant Professor, Department of Physiology.

This workshop was a refresher course for most of the faculty who attended and was well appreciated.
