**SATURDAY**

10:00 to 11:00 AM

Venue : Lecture hall 1, First floor,  
Medical College block

### **Guest Lecture**

Date - 03.02.2024, 10am to 11am

Topic – Obstructive and Restrictive diseases

Speaker – Dr. Prem Ananth, Professor, Department of Thoracic Medicine, VMCH & RI

The department of physiology had organized a guest lecture for the first year MBBS students of 2023-2024 batch at Lecture Hall 1 of Velammal medical college. By 10 am, the guest lecture program started with the welcome address by Dr. S. Anu, Professor and Head, Department of Physiology, VMCH. The introduction of the guest speaker was given by Dr. Ajit Kumar, Assistant Professor, department of physiology, VMCH. Dr. Prem Ananth, Professor of Thoracic Medicine, VMCHRI gave a guest lecture on the topic “Obstructive and Restrictive diseases”. Sir broke the topic into multiple subtopics and dealt with each in detail with clinical correlation which was easier for the students to understand the overall mechanism. He also highlighted about the common respiratory diseases in our country and how to differentiate and deal with them. The session was highly informative and the students eagerly listened to the guest lecture and clarified their doubts then and there. The students gave a standing ovation for the guest speaker. Dr. Prem Ananth sir was felicitated by Dr. S. Anu. The program ended at 10:55 AM with vote of thanks by Dr. Durai Arasan, Assistant Professor, Department of Physiology, VMCH.
