Physiology Gold medal examination

The Department of Physiology conducted a Gold Medal examination & Viva Voce for the batch of 2024 -2025 on **8th December 2025** between 2.00 PM – 4.00 PM. **Dr. Anand Bhaskar**, Professor, Department of Physiology, Christian Medical College, Vellore was the moderator and judge for the gold medal and viva voce examination.

Preliminary MCQ examination was conducted on 29th September 2025 after their Physiology second paper university examination. 10 students who scored top scores was shortlisted for the theory round. The theory exam had one essay type questions, four reasoning out questions and 10 short note type questions. Top 3 students were selected for the gold medal practical examination and viva voce.

The following are the three students who got selected for the final gold medal viva voce examination.

1. KRISHANTH.S (RollNo:64)
2. PRABHANJANI JANARTHANAN (Roll No: 91)
3. MISHALUR RAHMAN (Roll No: 72)

The program started with the welcome address by Dr. M. Renu Meena, Assistant Professor, Department of Physiology, VMCH & RI. All the selected students were assessed using the same set of questions. The order of Viva voce was conducted based on their lot selection. Dr. Sasikala Rani, first year PG was the Session timekeeper and Dr. M. Renu Meena was the Scorer for the event. Mr. Mishalur Rahman was the first candidate to attend the practical viva voce session followed by Miss Prabhanjani and Mr. Krishanth. The exam was divided into Hematology and Clinical Physiology section with 3 rounds each. The questions in the hematology were based on dilution factor, fluid name and composition, normal values of blood parameters, case scenarios for various hematological disease. The clinical questions were mostly eliciting and performing the skill (Examples: Eliciting ankle jerk, knee jerk, tracheal position examination, parasternal heave, checking respiratory movements, auscultating heart sounds etc.,).

At the end of Mr Krishanth came first, followed by Miss. Prabhanjani followed by Mr. Mishalur Rahman.

The Program ended with Certificate and medal distribution to the winners. The Vote of Thanks was given by Dr. Noel Naveen Johnson, Assistant Professor, Department of Physiology, VMCH & RI.

Lot number	List of Participants	Prize	Medal
3	Mr Krishanth	Frist prize	Gold Medal
2	Miss. Prabhanjani	Second prize	Silver Medal
1	Mr. Mishalur Rahman	Third prize	Bronze Medal
