

On 19th of December, a Symposium Workshop was conducted by the Academic Club, Students Club, Dept. of Physiology, Velammal Medical College. The Workshop was Conducted between 4 PM to 5 PM in Physiology Demo Room, Velammal Medical College.

The Workshop was organised with the intend to give a basic idea on a Symposium and the various things to take into consideration while preparing for a Symposium for those who are interested in participating in the Intra-College Symposium Contest to be help as a part of The UG Competitions in the upcoming Conference “JARA” in Feb 2026 by the Dept. of Physiology.

The Program started with a welcome address and introduction by Dr. Rahul, Head of Academic Wing, Students Club. Two teams from 2023 Batch MBBS had participated and won 1st and 3rd Price in the Symposium Contest conducted in JIPMER, Puducherry in 2023. These Winners had come to share their experiences, their learnings, the Key aspects to be noted in preparing and presenting a Symposium. They gave the students a brief about their Prize-Winning presentations, shared various teaching Modalities they and other teams used, enlightened the students on how to frame an Abstract sharing theirs as an example.

After Each Team shared their inputs, the important points to be noted were summarised by the Student Incharges from 2022 Batch. Finally, a Question answer session was conducted where the doubts of participants as collected via google forms was asked and clarified. The Event was Concluded by a revisit of Important Points by Dr. Manishankar S

(Student Incharge) and Vote of Thanks by Dr. Umesh M (Student Incharge). The Event was Presided by Dr. Anu S, HOD and Professor, Dept of Physiology, Velammal Medical College & Dr. Durai Arasan, Assistant Professor, Dept of Physiology, Velammal Medical College.

The Workshop ended with a strong sense of enlightenment and instilled knowledge and interest in the spectrum of Symposium among the participating members. As the event concluded, students left with a basic idea on how to prepare for a Symposium and all their doubts clarified. Overall, the Symposium Workshop was not just a one-time event but the starting step of countless future Symposium presentations and Laurels to come.
